

AMA Accepted Designated CDs for Turbine Waiver Sign Off List Application

I, \_\_\_\_\_, am an AMA member, and have a current AMA turbine waiver, and have had it for a period of one year or longer.

I understand that by accepting a position on the AMA Accepted Designated CDs for Turbine Waiver Sign Off list that I will be expected to uphold AMA turbine regulations, and be fair and impartial when evaluating turbine waiver applicants.

I understand that I may be removed from this list if there is a history of my having signed off on applications for individuals that have later been proven to be un-qualified or reckless when I should have known this to be the case, or for having a history of refusing to sign off on applications for individuals that have proven reasonable qualifications and do not have not history of reckless modeling behavior to my knowledge, or for placing requirements greatly in excess of the those of the AMA on an applicant.
